code

**disk/R** radial light emission 360°**disk/R-GY** IP67 

for very low voltage halogen lamp  
35W-12V-GY6, 35-600 lumen  
built-in transformer 230/12V-50/60Hz  
**complete with lamp and already connected cable**

black

D15/R-GY

**disk/R-F10W** IP67 

for compact fluorescent lamp  
10W-GR10q-650 lumen  
electronic ballast 220/240V-50/60Hz  
**complete with 2D-10W lamp  
and already connected cable**

black

D15/R-F10

**disk/S** upward light emission - symmetrical directional lens**disk/S-GY** IP67 

for very low voltage halogen lamp  
35W-12V-GY6, 35-600 lumen  
built-in transformer 230/12V-50/60Hz  
**complete with lamp and already connected cable**

black

D15/S-GY

**disk/S-F10W** IP67 

for compact fluorescent lamp  
10W-GR10q-650 lumen  
electronic ballast 220/240V-50/60Hz  
**complete with 2D-10W lamp  
and already connected cable**

black

D15/S-F10

**disk/AS** upward light emission - asymmetrical directional lens**disk/AS-GY** IP67 

for very low voltage halogen lamp  
35W-12V-GY6, 35-600 lumen  
built-in transformer 230/12V-50/60Hz  
**complete with lamp and already connected cable**

black

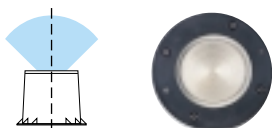

D15/AS-GY

**disk/AS-F10W** IP67 

for compact fluorescent lamp 10W-GR10q-650 lumen  
electronic ballast 220/240V-50/60Hz  
**complete with 2D-10W lamp  
and already connected cable**

black

D15/AS-F10

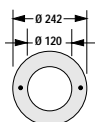

**disk/P** suitable for vehicular and pedestrian traffic upward light emission - symmetrical directional lens**disk/P-F10W** IP67 

for compact fluorescent lamp 10W-GR10q-650 lumen  
electronic ballast 220/240V-50/60Hz  
**complete with lamp 2D-10W  
and already connected cable**

black

D15/P-F10

## accessories

**GF** stainless steel finishing ring suitable for all models, except disk/R
